

**Part I: Reading (due at the beginning of class Wednesday, April 10)**

Make a list of all the convergence tests we have so far including when the tests apply (hypotheses), how to use them (conclusions), and tips for using them (e.g., for comparison tests, list series we know stuff about). We'll compare lists in class Wednesday.

**Part II: Exercises**

No Part II this time.

**Part III: Homework Problems (due Wednesday, April 10 at the beginning of class)**

No new Part III questions this time. You may turn in one extra revision (so up to 4 revisions total this week).

**Reminder: Celebration of Learning # 3 on FRIday, April 12**

You may bring a hand-written notecard with you to the Celebration of Learning (you can use both sides or bring two one-sided cards).
