

**Part I: Read and Respond (prepare for class Wednesday, April 9)**

No reading for today, but answer these questions:

1. True or False: You were once exactly 3 feet tall.
2. True or False: At some point since you were born, your weight in pounds equaled your height in inches. (Feel free to ask your parents what your birth weight and length were.)

**Part II: Exercises (prepare for class for Wednesday, April 9)**

1. Exercise 4.4.3
2. Exercise 4.4.4

**Part III: Problems (due Wednesday, April 16 at the beginning of class)**

1. (P) Exercise 4.3.8
